Ejidey Comprehensive High School, Magodo  
phase 2

07/2012 - 07/2018

Lagos, Nigeria

## SKILLS

HTML

CSS

Javascript

React

Material UI

Rest API

Responsive Design

Git and Github

Problem solving skills

strong communication and collaboration skills

Tailwindcss

Firebase

## PERSONAL PROJECTS

### A photo gallery site

- i built this using React.js and tailwindcss for styling. This site uses authentication from firebase to login in users to access the gallery which has a drag and drop feature

### A Camp site landing page

- it was built using react.js and tailwind. A beautiful landing page for a camp programme

### A bookmark manager landing page

- i built this using React.js and tailwind. A pixel perfect landing page for a bookmark extension. .

### A moviebox site

- I created this using react, tailwind and a rest API we got from rapid API. This project was a challenge by HNG internship programme and the site offers users a chance to view the trailers of their favourite movies and also select from a plethora of other movies

## CERTIFICATES

Programming in Javascript by Meta

HTML and CSS in depth by Meta

Basics of React by Meta

Advanced React by Meta
